## Introduction

ACME Engineers is one of India's fastest growing interiors and construction companies since its incorporation in 2021. We specialize in corporate contracts, and have also forayed into healthcare, residential, hospitality and institutional projects.

As an Interior & Civil Construction company, we provide end-to-end solutions for corporate infrastructure, healthcare, retail, hospitality & residential spaces. ACME Engineer's exemplary team take pride while providing fresh ideas and thinking out-of-the-box. The team performs with integrity and always aims for Excellence.

ACME Engineer's unique business model is focused on delivery of a high quality work with innovative thinking, project completion while keeping in mind safety, time, quality and cost management. We believe in completing our projects effectively and efficiently while keeping in mind the Clients' requirements and satisfaction.

Located in New Delhi with other regional offices in Uttar Pradesh, and Uttarakhand we are in a process of achieving ISO certification, Environmental Management and Occupational Health & Safety.

## Interior Design, Build & Turnkey Solutions Company

We are an established Interior Designing (Turnkey Solution) & building construction Company with Team of Architects and Engineers giving beautiful interiors at a very economic budget.

Turnkey solutions save clients time, liability and money when implemented with a successful execution of the project and managing it at each and every completion of a milestone. ACME Engineers have kept pace with the changing time and have adapted to all such available new techniques to improve quality & delivery timeline.
